Dear Ernesto :

The results in this report apply to samples, as received, analyzed in accordance with the Chain of Custody document. Pacific Coast Analytical Services certifies that the results meet all requirements for laboratory performance unless noted in the case narrative or in the report with data qualifiers.

This analytical report is confidential and it is only intended for use by Pacific Coast Analytical Services and its client. The Chain of Custody form is an integral part of it. The report can only be reproduced in full with all its attachments and the authorization of Pacific Coast Analytical Services .

Thank you for the opportunity to service your analytical needs. Please feel free to call with any questions.

Respectfully Submitted,

Siri Janthasen
Project Leader
